

27<sup>th</sup> Annual  
**GNARLY HILLS ENDURO**

Presented by the Central Iowa Enduro Riders  
August 10<sup>th</sup>, 2008 Dayton, Iowa

---

**Key Time:**

10:00AM Riders' Meeting 9:30AM

**Classes:**

All Iowa Enduro Rider Association (IERA) enduro classes will be ran.  
See [www.iera22.com](http://www.iera22.com) for enduro classes and local enduro rules.

**Sign Up Times:**

Saturday - 7 to 9PM and Sunday - 7 to 9:45AM

**Directions to Start Area:**

NOTE- new start area for 2008; event does NOT start in the City of Dayton park.

From Dayton, go east on IA Hwy 175 2.4 miles to County Road P70, then south 2.8 miles on P70, then east 1.5 miles on local gravel road.

From Ogden, go north 10.2 miles on County Road P70, then east 1.5 miles on local gravel road.

Watch for enduro banners and arrows to start area on County Road P70. County Road P70 is 1.5 miles west of the Des Moines River on IA 175.

**Course Description:**

Enduro will consist of two loops of approximately 30 miles each utilizing woods sections connected by local county gravel roads. Gas Stop will be at the start area following the first loop. Anticipate speed average changes. Adequate resets will be given at the end of each off-road section and at the gas stop to avoid "road racing".

## Motorcycle Requirements:

The Central Iowa Enduro Riders have obtained a “road closure status” for the event from Boone and Webster Counties. As such, your motorcycle does NOT have to be street legal or plated to enter the event. Lights/tail lights will not be required so bring your MX, hare scramble, and trail riding friends. A valid motorcycle license WILL BE REQUIRED for sign-up.

Motorcycles with excessively loud exhausts will be banned at the referee’s discretion. Maximum motorcycle speed in the pits is 5 MPH/1<sup>st</sup> gear only. NO PIT RACING!

## Route Sheet:

The event’s route sheet will be available at sign up and a few days before the event on [www.iera22.com](http://www.iera22.com) and [www.midwestenduros.com](http://www.midwestenduros.com). Any event changes including rescheduling (rain date August 24<sup>th</sup>) will be communicated on these web sites as well.
