

Brush Poppers Bitter End Dual Sport Ride

November 2nd, 2014

18138 Covell Road Morrison, IL 61270

Join the Brush Poppers for an exciting day of on and off-road dirt bike riding on a 40-mile loop through the countryside of Morrison. For a small entrance fee (\$30 for AMA members, \$35 for Non-AMA members) you can spend the morning (8-12) making as many loops as you wish starting at 18138 Covell Road, Morrison, IL. Your bike must be enduro legal with a working headlight (no exceptions). The course is not big bike friendly, more of an untimed enduro, so if you care about the looks of your 800 GS, leave it at home. Primitive on-site camping & concessions will be available.
