

Take advantage of the latest technology in 2009. Klim USA is proud to support local racing through Klim's Racer Contingency Program.

How to get started

1. Purchase a pair of Klim pants (Dakar, Mojave, Chinook or Baja) and a Klim jersey (Revolt or Mojave) from us by filling out the Racer Purchase Form. Check the box that says you would like to participate in Klim's Contingency Program found on the order form, then fax it in along with this contingency registration form filled out. If you purchased the product at a retailer you will send in the original receipt also.
2. With each entry you will receive a pair of gloves. Please indicate the model, size and color.
3. One outfit will qualify you for both Enduro and Hare Scrambles. You will need to purchase an additional set for motocross per class to qualify.
4. You must race in at least 50% of the scheduled races.
5. Put a Klim sticker on your bike and chest protector.
6. Klim will pay for the top 5 spots:
 - 1st - 30 points
 - 2nd - 25 points
 - 3rd - 21 points
 - 4th - 18 points
 - 5th - 16 points
7. At the end of the series, we will pay you contingency money in the form of Klim Bucks worth one buck per point. At the end of the season you'll be given a certificate that spends like money good for any of Klim's products at retail pricing. You must redeem your Klim bucks before 60 days after receiving your certificate.
8. In addition some racers will be eligible for a higher level of sponsorship.
